

LUXURY APARTMENT

A comfortable apartment in Polanica-Zdroj ... perfect choice for families!

"Polanica Zdroj is lovely. It wallows in the sun, in green and in blue (...). Everything here seems different. It makes even the most somber melancholy face bright after a few days (...)" so said about Polanica Zdroj, Gustaw Morcinek, famous Silesian writer, more than 50 years ago.

Polanica Zdrój is a unique place indeed. This charming town situated at the mouth of the so called Hell Valley marking in the heart of Klodzko Dale has not only an interesting and rich history, but above all it is a place of outstanding medical and spa qualities. You find the *Wielka Pieniawa* Sanatorium, number of spa hospitals and the *Spring Water Pump Room*.

Polanica Zdrój is a unique place indeed. This charming town situated at the mouth of the so called Hell Valley marking in the heart of Klodzko Dale has not only an interesting and rich history, but above all it is a place of outstanding medical and spa qualities. You find the Great Pieniawa Sanatorium, number of spa hospitals and the Spring Water Pump Room.

The surrounding natural monuments are the basis for sightseeing trips - explore on **foot**, by **car** or **bicycle**. The most interesting are: Errant Rocks (maze of giant statues of rock, forming various forms on the surface of 21 ha!), Bear Cave in Kletno, medieval fortifications and the ruins of the ramparts of Fortress Kłodzko.

Polanica Zdrój is also a great place for sports, both in **summer** and **winter**!

During the summer is an ideal training ground for road and mountain cyclists due to substantial level differences of roads; the city has an excellent route, called by bikers „Infernal Loop“.

As for skiing in winter Polanica-Zdrój is an ideal base to reach Zieleniec - one of the best Polish ski resorts, and Jamrozowa Polana - a vast clearing, among the hills called Wzgórza Lewioskie close to Duszniki-Zdroj, facilitating cross-country trails of 12.5 km length!

Polanica-Zdroj used to be visited by famous persons, among others: Maria Dabrowska - writer, Mieczyslaw Fogg, Irena Santor – both very popular and respected singers.
